Copy of letter from Khan-Saheb Haji Abdullah Haji Kasim Saheb Bahadur, President, Coondapoor Taluk Board to the Secretary to the Government of Madras, Local and Municipal Department through the President District Board, South Kanara, II Ref.C.No. 45/C.T.B'19. dated 6th January 1919.

I have the honour to submit herewith a copy of the pp 3-5 Cr Resolution of this Taluk Board at its Meeting dated 20-12-'18 in connection with the question of providing the necessary extra accommodation for the Board High School, Udipi.

2. The Udipi High School is at present held in the old Taluk Office When the Taluk Office was removed to its new building, the old Taluk Office buildings with the site except the Sub-Registrar's office building were ordered to be (F) transferred to the Taluk Board by G.O No.190 Rev./23-1-1909 The Sub-Registrar's Office building was retained for being used as the Village Munsif's Chavadi and the office of the Deputy Inspector of Vaccination, since transferred to Coondapoor, but as a matter-of-fact the needs of the school at the time did not require all the outhouses and so the cattle pound (O) continued to be maintained in one shed while another (L) remains vacant even now. In the Sub-Registrar's office building which was retained by Government. the office of the Deputy Inspector of Vaccination and the Village Munsif's chavadi continued to be held till recently Now the Office of the Deputy Inspector of --

Vaccination has been transferred to Coondapoor.

3. The Government have now sanctioned the raising of the status of the Udipi school into a High school and the Board has opened the IV Form this year. The V Form class will have to be opened next June and the VI Form in the subsequent year The High school classes require extra accommodation as well as a Science Laboratory. The Board is thus pressed for extra accommodation and requests that the Government may be pleased to hand over the sheds marked L and O as well as the old Sub-Registrar's office building marked K on the plan appended to G.O.No.190 Rev. 23-1-1909. As it is, the cattle-pound and the Village Munsif's Chavadi on account of the large number of people and cattle passing to and fro in the school-compound disturb teaching at the -- school. The Inspector of Schools and the President, District Board, South Kanara, have both inspected and examined the Board's proposals and recommend the same. The Board proposes to improve the Sub-Registrar's office building (K) into a Science Laboratory and build on the site of the vacant building (L) and the cattle-pound shed (O), class rooms for providing the additional accommodation required. There is no other sufficient space in or adjoining the school compound.

4. In case the Village Munsif's chavadi cannot be shifted to another existing Government building, the Board suggests that suitable quarters may be rented out for the same for the time and the Board will be prepared to pay a reasonable rent that may be charged for such a quarter. If that is not possible, the Board will arrange to accommodate the Village Munsif's chavadi at the building now utilized by the L.F.Engineering Department for their stores &c. next to the L.F.Overseer's office. In any case, the Board think it highly desirable that the cattle-pound and the Village Munsif's chavadi &c. should be removed from the school-compound If these proposals are accepted by Government, I shall submit without delay detailed proposals and estimates for the conversion of the Old Sub-Registrar's building (K) and for the erection of additional class-rooms. I beg to request therefore that the Government may be pleased to order the transfer of the Old Sub-Registrar's office building to the Taluk Board and also direct the removal of the cattlepound so as to enable the Board to build class-rooms on the available site.

295. Read M.Dis. on C.No.536/Sc/18 dated 20-11-1918 of the Inspector of Schools, Ninth Circle, forwarding report from the Headmaster, Board High School, Udipi, and recommending the construction of new buildings for the use of the school and improving the School-compound by the removal of cattle-pound etc., now located in the school-compound as the present -- accommodation is insufficient.

Also

Also G.O.No.190/23-1-1909 and G.O.No.396/4-2-1910 and previous papers in the matter and the President's Note.

Resolved by a majority of the Board:-

(1) to move the Government to make over the Old Sub-Registrar's office building now used as a Village-Bench Court and Office of the Deputy Inspector of Vaccination and the present Cattle-pound and the Old Sub-Jail dispensary building now in charge of the Public Works Department to the Taluk Board.

(2) to take steps for the acquisition of the vacant plots to the West of the present school-building and to the north of the cattle-pound.

(3) to address the Government for funds to provide a substantial building for the High School and the Laboratory

C. No. 330/R/19.

Endorsement by M.R.Ry. Rao Bahadur N.Subba Rao, Avergal, President, District Board, South Kanara.

Submitted to Government through the Collector of South Kanara for favourable consideration. I strongly support the proposal of the Taluk Board. I have inspected the school with the President, Taluk Board. It requires more accommodation. I have also suggested that some vacant land adjoining the compound should be acquired to extend the play ground which is quite necessary. The Government will be addressed separately regarding the acquisition of this land.

Endorsement by R.H.Ellis, Esquire, I.C.S., Collector of South Kanara.

Submitted through the Superintending Engineer, IV Circle, Coimbatore.

That the school stands in immediate need of additional accommodation is a fact. The Taluk Board undertakes to adapt at its cost the stables attached to the old Local Fund Bungalow which stands at a considerable distance from it to meet the -- requirements of the Village Bench Court and the cattle pound -nd office. The Divisional Officer, Coondapoor states that -- there is not much need of a stable attached to this Bungalow, as most of the travellers that resort to it are Indians without horses. He further states that any future contingency can be met by adding a stable to the new outhouse which the Taluk Board proposes to construct in the near future in the compound of the Bungalow. In these circumstances the transfer to the Coondapoor Taluk Board of the buildings particularised in the President's letter together with their site is recommended, subject to the same conditions as those imposed in respect of the other buildings in the old Taluk office compound

Rem^r I 1-9-20
II 2.9.20

(1) From the Taluk Board Presidents letter II Rep. C No 45/C.T.I dated 6-1-19 it is seen that the Taluk Board ~~it~~ asked for the alienation of only 3 buildings as shown in the marginal * but the land alienation statement shows that 4 buildings (as shown below) are proposed to be alienated: (1) (2) Sub-Registrars office and old sub-jail (presumably referring to the hospital shed) measuring 18 cents (3) Cattle pound measuring 4 cents and (4) Kitchen shed measuring 2 cents ~~The discrepancy should be explained~~

(1) Site marked K in the Sketch in G.O 190 Rev 23.1.09 (Sub. Registrars office building) — Dimensions (apparently given in feet) 49 x 42

(2) Do - marked O in the sketch (Cattle pound) — 40 x 32

(3) Do - marked L in the Sketch (presumably sub-jail Hospital Shed - now vacant) — 74 x 29

(2) From the entries in the remarks column of the alienation statements it is seen that the town site rules in paragraph 12 of B.S.O no 21 apply to this case, If so, the appropriate rate of ground rent that should be adopted is Rs 50 per acre (and not Rs 12-8-0), the estimated yearly rent value for 24 cents being Rs 12-10-0 or Rs 52-9-8 per acre

(3) The Taluk Board President's letter quoted above ~~that~~ shows that the buildings in question should be alienated in favour of the Taluk Board, Coondapoor while in the alienation statements they are ~~the~~ proposed to be alienated in favour of the DB Board, South Kanara'

Sir,

The kitchen building was included on the presumption that the Taluk Board which complained of want of accommodation had omitted it through oversight in its application, as all the other buildings in the compound had been transferred and there did not seem to be any use in retaining the kitchen alone Further with the transfer of the cattle pound to a place over a furlong away this building which is at present used only for storing hay or straw for the impounded cattle can no longer be put to that use I however consulted the District Board in the matter and it has now passed a resolution to the effect that it also requires the kitchen building.

For a plan of the old Taluk office buildings at Udipi - please see G.O.No.190 Rev. of 23-1-'09. The President, Coondapoor Taluk Board requests that the old Sub Registrar's office building (marked K on the plan) and the shed (marked L) together with their site may be transferred to the Taluk Board and orders issued to the removal of the cattle pound from the shed (marked O on the plan) The transfer is recommended by the Collector of S. Kanara and the S.E. has no objection to the proposal. Alienation of lands either by themselves or with buildings erected thereon are ordered in Revenue. Submitted the file may be transferred to Revenue for the issue of necessary orders.

In G.O.No.190 Rev. dated 23-1-1909 all the buildings in the compound of the Old Taluk Office at Udipi, South Kanara district, except the old Sub -

Registrar's office (marked K on the plan in the G.O.) together with the site were transferred to the Taluk Board Coondapoor for use as a School. Subsequently the old Sub-jail hospital shed marked L on the plan was taken over by the P.W.D and the building marked O is being used by Govt. as a cattle pound. The Taluk Board now requests that these three buildings also may be transferred to it for the purposes of the school It has undertaken to provide accommodation for the village bench court and cattle pound which are now located in the buildings. The Collector and Supdtg. Engineer recommend the proposal.

pp 7-8 ct

2. The Taluk Board proposes to adopt the buildings for school purposes. In G.O.No.396 Rev., dated 4-2-1910 the Taluk Board was permitted to carry out such alterations or additions as might be required to the buildings already transferred to it. The Taluk Board may similarly be authorised to make the alterations it proposes.

3. A draft order is submitted which may be sent to L and M and Home (Edn.) for acceptance.

When the previous orders on the transfer of the taluk office building at Udipi were passed, the Board was not consulted - Vide G.Os No.190 dated 23-1-1909 and No.396 dated 4-2-1910. It does not seem necessary to consult the Board as the Collector supports the proposals.

It would be safe I think to consult the Board first.

To Assistant Secretary
Please see u.o note from Govt at pages 1-4 of the note file. There seems to be no objection to the Govt according sanction to the transfer of the buildings together with their sites subject to the conditions specified in the Govt's draft order but whenever a Govt building together with its site is alienated it is usual to ascertain whether the building is not required for any department of Govt and to submit alienation statements, if the alienation is to be recommended (Vide B P no 1507 Mis dated 7-11-18 and 1237 Mis dated 20.9.19) In the present case it does not appear from the

present correspondence whether the buildings now in question are or are not required for any other department of Govt it may perhaps be presumed that they are not. Alienation statements seem however necessary and Govt may, it is submitted, be informed accordingly. If they approve the proposal the Board ~~will~~ may call for the necessary alienation statements from the Collector.

12 Perhaps Known better in a Week time they would be required

Yes. I know the buildings & don't think it likely that they will be required for any other Dept.
